

Communication Policy

All communication from the club will be made directly from the President or the Vice President unless otherwise approved by the President, Vice President, Executive or Board of Directors.

This will include all Press Releases, Emails, letters or other correspondence relating to Club matters. Members of the Executive or Board who are following up on club matters previously released may send communications to the applicable parties. Members of the Executive who, in the day to day operation of the Club, are required to send out correspondence pertaining to their role may do so.

All website postings and team websites must adhere to the South Simcoe United FC website policy.

All communications that are sent out must be in compliance with the appropriate Codes of Conduct, Conflict of Interest policy and Oath of Confidentiality.
