

South Simcoe United FC Refund Policy

Refunds will be given in the following situations:

1. Long term illness or injury making it impossible for the player to be active with his/her team. (Requires a doctor's note.)
2. If the player is cut from team during the indoor or outdoor season.
3. Any reason deemed justifiable by the Executive.

No Refund will be issued in the following situations:

1. Not playing soccer due to suspensions.
2. Players that leave a Club team on their own volition during the season.
3. Other reasons deemed unjustifiable by the Executive.

All refunds will be calculated on a pro-rated basis according to the amount of time spent with SSU for that season. No refund will be given if the player has been included on the Team roster for half of the soccer season.

The Treasurer may recommend waiving or modifying registration fees for a player if circumstances warrant special consideration. All such waivers and modifications to fees must be approved by the Executive.
